

The Spiritual Principles With Which We Manage Ourselves To Create Heaven On Earth

The Pathwork Purification Process is the way we stay true to spiritual principles.
Excerpts from Pathworker Contributions Document (PC10)

1. Principle: Law of Self-Responsibility

You create your own reality. PL40 Your life experiences are a reflection of the beliefs in your soul. You should never believe for one instance that what you experience is unjust and unfair, no matter how much it may appear that way. In the last analysis, in absolute truth and reality, it is your misconception that has caused it. PL48 Only you create your own happiness and unhappiness. Nothing can come your way that is not self-produced. PL60

2. Principle: Law of Paying the Price

There is a price to be paid for each desired gratification. PL29 Every advantage has its disadvantage. PL41 The disadvantageous side of each alternative or decision has to be faced and accepted. PL32 The price for illusion is extremely high. The more you want to evade paying the natural and fair price, the heavier the toll becomes. This is unalterable law. PL60

3. Principle: Law of Cause and Effect

Every thought and attitude, whether conscious or unconscious, is a definite act. But the more unconscious, the greater the consequence. PL57 The primary result on this Path is the understanding of your own cause and effect and the sense of strength, self-reliance, and justice that this gives to an individual. PL100 It is more difficult to see the same relationship between thoughts and subtle attitudes. The more developed person can perceive cause and effect on these less obvious levels. PL245

4. Principle: Law of Living in Truth (Facing Life)

Not living in truth set you apart from God. PL29 The more you try to deceive, the more will you deepen your feelings of isolation or loneliness. Realistic self-recognition is the foundation of development. PL31 Truth must be experienced, not just known, to have an effect. PL60 To face life's reality means to face yourself as you are, with all your imperfections; embrace life wholeheartedly, without fear, without self-pity or being afraid of being hurt. Say to yourself, *'In order to be come what I would like to be, I must first, without fear or shame or vanity, face what is in me.'* PL25

5. Principle: Law of Brotherhood

To be able to open your heart to another brings spiritual help that you could not receive by yourself. PL26 As long as you keep things hidden within you, it puts everything out of proportion (you exaggerate or underestimate). PL31

6. Principle: Law of Transformation of Negativity

The strength with which your divinity can penetrate the ego structure and manifest depends on the degree evil has been transformed throughout the evolutionary development." PL222

7. Principle: Law of Lack of Awareness

It is one of the immutable spiritual laws that lack of awareness of one area in you prohibits awareness of another. This is why the purification process is above anything else a process of making things conscious. This awareness unifies you. It is the aim of this Path's approach to help towards a reunification of everything that has ever split off. PL193

8. Principle: Law of Consciousness Reflects Experience

Working out of abundance, produces abundance; but working out of poverty and need produces more poverty and need. PL132

9. Principle: Law of Fully Inhabiting a State of Consciousness in Order to Grow

You have to reach a certain state, and fully be in that state before it can be abandoned for a further state. It is often overlooked by man; even more often, totally ignored. This is one of the great, important laws for man to know and deeply comprehend. PL132
