Index to the Pathwork Lectures
(The Bratnick Index)

This index, originally created by Michael Bratnick, is a gift to the English-speaking Pathwork community from the Dutch Pathwork. The Bratnick Index was transcribed and translated into Dutch for their Dutch CD, improved and expanded, and then translated back into English. The work on the index was done by Marije Mol, the translation into English by Marije Mol and Loes Kieboom, both Dutch helpers.

The copyright to this index is gifted to the public domain and may be shared freely with students of Pathwork.
